

Welcome to the Peace Country Fish And Game Association for 2008

Just a reminder your membership expires a year from date of purchase so you get a full year of membership. Please check the expiry date on your membership when you use the gun range. It is right beside the gate combination on your membership card. The Combination on the gate will change April 1, 2008.

The padlock on the gate is a combination lock. The combination is on the back of your range membership. Set the lock to the combination then push/pull on the hasp. Check the expiry date on your membership.

To get to the gun range:

From Peace River, turn north (right) at Tsp road 224 one mile east of the airport. Travel three miles north, turn left at the stop sign on Stewart (Tsp road 842), one mile west, cross the railroad tracks, then turn north on Range road 225. The range entrance is 1.2 miles north on the left hand side of the road.

Or go north from the lights on highway 2 and Weberville road three miles to Stewart road (Tsp road 842), turn west, turn north just past the railroad tracks then, then turn north. The range entrance is 1.2 miles north on the left hand (west) side of the road.

From Grimshaw, Travel three miles north of the junction of highway 2 and 2A. Turn right on Tsp. road 842 (east), go one mile, then turn left (north). The range entrance is 1.2 miles north on the left hand side of the road.

For your A.T.T. the land location of gun range **SE19 84 -22 -W5M**
And send or fax a photo copy of your range membership with your application.

Members must sign in the log book (located on a post in the covered large bore range shooting area) with their membership number and date. This is required by the Firearms act. These records may be used to prove "use" of your gun in the future when you renew your firearms license. Remember to bring both your membership card and a pen to the range so you can sign in.

The **range is open to members year round except for the times it is rented to groups** or being used by groups authorised by the Peace Country Fish & Game Association. The range may be closed for maintenance from time to time.

Range rules will be posted in several places on the range. The rules are there to meet federal regulations. Those who do not follow the range rules will have their Range privileges reviewed at an Association meeting.

Work Parties and Volunteers help keep the gun range open. If you see maintenance that needs to be done, please call one of the executive, or better yet, do it and tell the executive.

There are a number of non members who are currently using the gun range. We would like all of them to be members as membership dollars cover our members for insurance while shooting and covers the maintenance, replacement, and improvement costs at the gun range. Your membership dollars are paying to keep the range open, your help at work parties keeps it neat, tidy and ready to use. Help us make it better.

Fall Gun Show will be September 27 and 28 we need help setting up tables and during the show. We need help moving and setting up tables, with admissions, and with takedown. This event raises about \$2000.00 for the club.

Meetings are the last Thursday of every month at 7:30 pm.

For more information call Greg at 625-7295. Memberships: Kris at 625-7878 or Jerrold at 624-2683 or 617-4570 email: fishandgame@telus.net or info@pcfga.net
